SIOUX CENTER, IOWA

Sale at Tri-State Livestock Auction Co.

Sale starts promptly at 12:00 Noon

ALBERT J. HAMANN, SALE MANAGER

ROCK RAPIDS, IOWA 51246

(On front cover—BILMAR ATLAS DIADEM, many times champion and 3 times All-American Diamond H Herd Sire.)

(On back cover—AUGUSTA CLOVIA 4TH and heifer calf. A great brood cow from the Marlboro herd that sells.)

GENERAL INFORMATION

TIME—Tuesday, Sept. 23, 1969. Sale starts promptly at 12:00 noon.

LOCATION—The sale will be held at the Tri-State Livestock Auction Co., pavilion located on the North edge of Sioux Center, Iowa on U.S. Highway 75.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the sellers and the sale manager in notified of the arrangements. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

GUARANTEE—All cattle sold in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Association.

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerk and sale manager have been employed by the seller for specific tasks not connected with the handling of the cattle or the condition of the premises and they accept no liability, legal or otherwise for the buying contract or for any accident. Every effort will be provided for the safety for those attending this sale but the seller cannot accept liability for injuries that may occur. All persons attend this sale at their own risk.

Statements from the block will take precedence over information given in the catalog.

HEALTH—All cattle will be sold according to the health regulations of the State of Iowa. Buyers must be aware of any variations between the laws of Iowa and their own states. Interstate health certificates will be furnished.

DIAMOND H SHORTHORNS has practiced calfhood vaccination for Brucellosis and all females are calfhood vaccinated accordingly.

THE MARLBORO HERD is in a T.B. and Brucellosis free area. It has passed an annual negative test for both diseases. Calfhood vaccination of females is practiced and all calves are vaccinated for Blackleg.

CERTIFICATES OF REGISTRY—Certificates of registry with transfers entered and recorded in the buyer's name will be furnished for each lot sold and for every calf at foot. An application will be furnished for every calf carried in dam. Where footnotes appear in this catalog they were furnished by the seller or written from information supplied by the seller.

BREEDING DATES—Announcements from the auction block on sale day regarding breeding dates are final and will take precedence over data in the catalog.

AUCTIONEERS—**DICK KANE**, Wisner, Nebraska, Tel. (402) 529-6785.

CLIFFORD BOGAARD, Orange City, Iowa, Tel. (712) 737-2219.

SALE MANAGER—**ALBERT J. HAMANN**, Rock Rapids, Iowa 51246. Tel. (712) 472-3676.

PERSONNEL

TED AEGERTER, Assistant Secretary, American Shorthorn Assn. 8288 Hascall St., Omaha, Neb. Tel. (402) 393-7200

BILL STUNKEL, The Shorthorn World, 1228 N. Nye Ave., Fremont, Neb. 68025 Tel. (402) 721-7254.

WADE HAUSER, JR., Wallaces Farmer, Ames, Iowa, Tel. (515) 243-6181.

GENE FITZGERALD, The Drovers Journal, 416 Cherry Hill Road N. W., Cedar Rapids, Iowa, Tel. (319) 365-7242.

INSURANCE—Will be available from the clerks.

MAIL ORDERS—Those unable to attend who desire to buy may contact any of the above men all of whom will be in attendance. Late bids on sale day can be phoned to the Sale Manager who can be reached at the Tri-State Livestock Auction Co., Sioux Center, Iowa. Telephone: Area Code 712-722-0681.

LUNCH—A large new cafe is located in the Auction Market.

RESERVATIONS—A number of modern up-to-date motels can be found in Sioux Center. The Colonial Motel will be sale headquarters. Phone: Area Code 712-722-8111.

HERD INSPECTION—The sale cattle will be moved to the sale pavilion the day before the sale on Monday, September 22nd. Those who arrive prior to that are welcome to inspect the cattle at the farms located as follows:

MARLBORO FARMS, A. Harris Simons, Owner, 8 miles East of Sioux Falls, S.D. on U.S. Highway 38, then $1\frac{1}{4}$ miles South to the farm. Or, for those coming from the East from Iowa or Minnesota, take U.S. Highway 38 West through Rowena, S. D. and travel $\frac{1}{2}$ mile west to the first intersection. Then South to the farm. Tel. (605) 332-0585.

DIAMOND H SHORTHORNS, H. Russell Held, Owner, $2\frac{1}{2}$ miles South of Hinton, Iowa, or 12 miles North of Sioux City, Iowa on U.S. Highway 75.

FURTHER INFORMATION—For those wishing further information prior to the sale, contact the owners or the sale manager, as follows:

A. HARRIS SIMONS, 27 S. Calumet, Aurora, Illinois 60506, Tel. (312) 896-8511.

H. RUSSELL HELD, Hinton, Iowa 51024, Tel. (712) 239-2070.

ALBERT J. HAMANN, Rock Rapids, Iowa 51246, Tel. (712) 472-3676.

OPEN HOUSE—All day Sunday, September 21 will be open house at Marlboro Farms. See the sale cattle on pasture and inspect the entire herd before the sale cattle are moved to the sale barn on Monday, September 22. Note directions to farm given under Herd Inspection.

From the Sale Manager—

It is a pleasure to be associated with a Shorthorn sale offering presented by two very good friends of long standing from their very select herds that it has been my privilege to be familiar with through most of their existence.

Both men have a natural love for Shorthorns. Both have been willing to spend time, money and effort to continually improve their herds with the best seed stock that has been available. The two herds have much similar breeding which makes this annual sale a natural.

Productions from these two herds have been successfully exhibited in strong shows and consigned to top sales where they have always given a good account of themselves and have done well for others.

It would be very easy for the writer to elaborate at great length on the merits of this selected superior sale offering but suggest that everyone study the catalog carefully. Note the outstanding noted sires in the pedigrees and the factual show, sale and breeding records in the footnotes. You cannot help but be impressed and will want to possess some of this modern, growthy seed stock to help bring your own herds up-to-date.

Harris Simons and Russell Held are sound, consistent Shorthorn breeders that will always be in the Shorthorn business. In addition, they are leaders in the Shorthorn and beef cattle industry, the kind of men it is good to know in the livestock business and do business with. They and their productions can be a big help to you.

Plan to be at the sale on September 23 and avail yourself of the many buying opportunities that you will want to take advantage of.

ALBERT J. HAMANN, SALE MANAGER

A SELECT CLUB CALF OFFERING

10 FANCY STEER CALVES

FOR 4-H AND FFA PROJECTS

SELLING AT 3:00 P.M. IN THIS SALE

To allow juniors to be present with limited absence from school.

The MARLBORO HERD has made an enviable reputation in furnishing outstanding, winning club calves to many junior exhibitors. The calves have won at strong county, district, state and major shows. They are sired by their great herd bulls Acadia Napoleon 101st and Bilmar Preferred Diadem, and out of their outstanding brood cows. Study the catalog footnotes on the herd sires and the cows selling for the outstanding records. MARLBORO will sell the major part of these calves. This is their fifth club calf sale.

The DIAMOND H HERD will add a few to this group sired by Rothney Wildfire.

The lot numbers on these calves will be as follows:

Lot 58 -----

Lot 63 -----

Lot 59 -----

Lot 64 -----

Lot 60 -----

Lot 65 -----

Lot 61 -----

Lot 66 -----

Lot 62 -----

Lot 67 -----

In addition, many of the calves at foot of the 26 cows with calves will be ideal for junior steer and purebred heifer projects.

THIS WILL BE A GOOD PLACE TO SELECT TOP CLUB CALVES

Welcome from Diamond H Shorthorns

We again anticipate welcoming you to our second production sale with our good friend, Harris Simons, Marlboro Farms, Brandon, South Dakota.

It is very gratifying to be associated with Harris in this sale since he selected a good share of his foundation from our herd. He has managed well by building on and improving the herd from this foundation so that his productions are highly rated and doing well for those who have purchased them.

The breeding and bloodlines of these two herds are very similar, making this joint sale a natural to buy uniform Shorthorns that will breed uniform Shorthorns.

Held Shorthorns date back to 1887 which is eighty-two years ago. Since then, Shorthorns have continuously graced the landscape of the Floyd River Valley south of Hinton, Iowa.

Since we sold fifty lots in our 1968 sale it meant that we had to dig deep into the heart of our breeding herd to come up with enough cattle for another sale this year. In addition to a selected number of young bulls, we again are selling a number of our producing brood cows with calves at foot and nearly the entire 1968 heifer crop. However, we still have the dams and full sisters of many so offer them because this is a producing herd and we must move some cattle every year to stay within our capacity.

Although the herd is one of the oldest in the country, every effort has always been made to keep it modern and up-to-date in bloodlines and characteristics demanded in beef cattle today.

In the last three years we have added four new herd bulls that have been winners and tops. Two senior herd bulls both weigh over a ton in breeding condition. Two 2-year old bulls both weighed over 1600 lbs. at 24 months of age and are still growing. All four are the modern kind with size, length, soundness, good muscling and trimness.

Another first in the 82 year history of the herd is the addition of a top Polled Shorthorn bull of proven performance ancestry. All the heifers selling will carry his valuable service.

These are practical cattle handled under practical conditions that have done well for us and we feel confident they will do the same for you.

The sale cattle and the entire breeding herd including the four stock bulls we are very proud of may be inspected at the farm any time prior to the sale. The cattle will be moved to the sale barn on Monday, September 22.

We wish to thank everyone who has bought Diamond H Shorthorns throughout the years because satisfied customers are important to us.

H. Russell Held

BILMAR ATLAS DIADEM

A great many times champion and All-American. A natural unposed and unretouched photo taken after being out with 50 cows for 60 days on open pasture. His first calf and service will be offered in the sale.

BILMAR ATLAS DIADEM—The top selling bull of the year in the 1968 Bilmar sale where he was purchased at \$4600 for two-thirds interest. The great bull was International reserve junior champion, twice grand champion of the Kentucky State Fair, grand champion at Ohio and Michigan and three times an All-American. A full sister was International reserve grand champion female and another full sister was grand champion female at the Ohio and Kentucky State Fairs. His sire, Calrossie Diadem, also sired the only bull ever to be a Perth champion and go on to the undefeated supreme championship of all British shows. Bilmar Atlas Diadem is a bull of great size and tremendous length yet loaded with quality. This spring, in breeding condition, he weighed 2050 lbs. His first calves also showed great size. Eight females in the sale will carry his valuable service.

ROTHNEY COMET X

1969 Calgary Reserve Champion and \$2,000 sale top. An unposed and unretouched photo taken on pasture after running with 20 females for 45 days. His service will be a sale feature.

ROTHNEY COMET X—In this bull we have found what we were looking for in our search for a top Polled Shorthorn bull that would meet the requirements of today's beef cattle industry. He is a bull of great size, length and scale. Good quartered, very smooth, exceptionally sound, clean and trim in the brisket, underline, flank and twist. He was the reserve grand champion and \$2,000 sale top of the great 1969 Calgary Bull Sale in horned competition. At 24 months of age he weighed 1640 lbs. on government scales and is still growing. His sire Aberfeldy Cavalier X on official Ontario Government test weighed 704 lbs. at eight months of age and his sire Gloriadale Cavalier 20thX had an official rate of gain test of 3.06 lbs. per day and was purchased by the Central Ontario Cattle Breeders Ass'n. His dam was classified AAA. Comet's dam is a big, trim, modern cow weighing 1400 lbs., yet smooth. She is by the great sire Carig Royal Oak X and had another outstanding Polled bull calf in 1969. From a great Edellyn Clipper family, her granddam was out of a \$10,000 Edellyn sale top heifer of Calrossie Mercury breeding. Rothney farms have retained semen rights in this great young bull. The 17 quality heifers we are selling will all be bred to or carry a breeding privilege to Rothney Comet X. Here is an opportunity to obtain the first get of a bull that could be one of the top Polled bulls in the country.

ROTHNEY WILDFIRE

A massive, proven sire. An unretouched photo taken on pasture after two seasons of heavy service. His get and service are offered in the sale.

ROTHNEY WILDFIRE—This senior herd sire in the Diamond H herd has about everything you could ask for in a modern beef cattle sire. Big, massive, a world of muscling in the right places, good bone, a great head and lots of quality not often found in a big bull. This bull was slated for herd service in the noted Rothney herd, however, we were successful in our efforts to buy him. His sire is the noted Louada Cupbearer and his dam a Calgary Exhibition champion is by the \$30,000 Calrossie Highland Piper and out of an imported Marshall cow by Cruggleton Raeside. Rothney Wildfire's calves are all that we expected. Four of these will sell at foot of dams and one bred heifer by him sells.

ROTHNEY CONSTRICTOR

ROTHNEY CONSTRICTOR—Another junior herd sire we purchased in the 1969 Calgary bull sale. He stood second in class and was in the winning group of three bulls. In his first show for us he was grand champion bull of the recent Sioux Empire fair. Royally bred he has nearly all Calrossie breeding with the exception of one Crugleton cross. Scotsdale Trooper has sired many top cattle and is by the great sire and champion Scotsdale Navarre and is a linebred Calrossie Prefect, the Perth champion. His dam is a big cow by the tremendously big Rothney Ideal by the Perth sale top Calrossie Highland Piper and from a great Princess Royal family. This bull is big, strong, modern and correct. He weighed over 1600 lbs. at 24 months of age on government scale. Breeding privilege to this bull will be offered in the sale.

DIAMOND H GORDON 2D—This is the senior yearling bull in our 1969 show herd and he should give a good account of himself. He is good headed, levellined, well balanced with adequate size and length. He is smooth and well covered with good, firm muscling where the modern beef animal should carry it and will sire modern cattle. His sire was a many times champion by a Calgary champion, and out of the fourteen times grand champion, Augusta Pam. His dam is line bred in the blood of the \$10,000 Camson Better News by the famous Calrossie Good News. Two females out of the same dam were among the top lots in our 1968 sale, one selling to Bremer Bros., Holstein, Ia., and the other to R. S. Lewis, Correctionville, Ia.

CLIPPER CIRCETTE—This heifer is young but good and is bred to develop into a good brood cow. She sells with a breeding privilege to Rothney Comet X or another of our younger herd bulls.

Welcome from Marlboro Farms

Each of us at Marlboro looks forward to welcoming you to our fifth sale and our second with our good friend, Russell Held, Diamond H Shorthorns, Hinton, Iowa.

It is a genuine pleasure to be associated with Russell in presenting these cattle to you. Much of the herd foundation and two stock bulls have come from him. From that snowy day when we bought the first show heifer from him at the old Sioux Empire Sale, he has been a valued friend and advisor. Much time has passed since then and we've traveled many miles together in search of good cattle. If his productions do half as well for you as they have for us, you will find them profitable indeed.

Many have asked why we are again parting with so many proved brood cows. The answer is economic. Naturally, you breed cattle to sell. Since we are well satisfied with the job our stock bulls are doing, we feel it is wise to retain as many of their best daughters as possible. To make room on our limited acreage, cows are offered each year as their daughters become old enough to replace them. Never has it been as difficult to select a sale offering as this year. To make up appropriate numbers we were forced to dip into the oldest daughters of Westdrums Wayfarer and we're proud of them. The two oldest heifers by Bilmar Preferred Diadem are offered as a sample of what is to come.

The cattle can be inspected at the farm east of Sioux Falls until Monday morning September 22 when they will be moved to the sale barn. It's open house all day Sunday at Marlboro and we invite as many of you as possible to be with us to inspect the sale cattle on pasture. There you can see the daughters that are replacing them in the herd together with the stock bulls that are helping us to improve with each calf crop.

Thanks, too, to each of you who have bought Marlboro Shorthorns in the past. Your letters throughout the year are a source of great satisfaction. Your success is important to us too.

Harris Simons

BILMAR PREFERRED DIADEM

By Calrossie Diadem, he was purchased at the top of the 1967 Bilmar Farms Sale at Durand, Michigan. His get and service will be well represented in the Marlboro offering. Standing in background, left to right —Harris Simons, W. H. Boutell, and C. D. Swaffar.

BILMAR PREFERRED DIADEM—Purchased at the \$6,000 top of the 1967 Bilmar Sale, he's by Calrossie Diadem himself. His dam is a Cruggleton Princess Royal by Calrossie Troubadour. Troubadour also sired PS Troubadour, 1956 International grand champion steer over all breeds and an International reserve grand champion female for Acadia. Preferred Diadem is an exceptionally long bull with great thickness and character. He has been used liberally since his purchase and his first calves are everything that we expected. A summer yearling heifer and senior heifer calf by him sell. Also, eleven calves at foot and seven females carrying his service sell.

WESTDRUMS WAYFARER—Westdrums Wayfarer was purchased from Bilmar Farms after a long and successful career there. He was first-prize winner at Perth, Scotland, in 1960 the same day his half brothers were best group of three and best group of five bulls. He is by Uppermill Leopold that also sired the International grand champion Dandy of Westdrums X, AAA, that sold to Windholme Farm, Orange, Va., at a record \$18,000. Wayfarer was three times "Sire of the Year" in Michigan and sired dozens of champions and All-Americans for Bilmar. One of his first calves born at Marlboro was reserve grand champion steer over all breeds at LeMars, Iowa. Wayfarer was lost in 1968 so the five daughters selling represent the last opportunity to buy his females.

ACADIA NAPOLEON 101ST—He was imported from Cyrus Eaton's Deep Cove Farms, Upper Blandford, Nova Scotia, at 11 months when he weighed 963 pounds. He's by Deep Cove Napoleon 3rd that sired the \$3,300 reserve grand champion of the Canadian International Bull sale the same day a \$2,000 half brother was a class winner. Together, they were best pair of bulls. His dam, Canard Madge 2nd, is one of the biggest and best cows at Deep Cove. The 101st has sired numerous winning steers including one at the 1966 American Royal, and two interbreed reserve grand champion steers at LeMars, Iowa. In 1966 every 101st steer calf sold from the herd was a champion or purple ribbon winning club calf! The 101st himself weighs right at a ton on pasture as a six-year-old and is classified high AA by the American Shorthorn Ass'n. He's particularly long and most agree he's the modern type. Three females and three calves at foot by him sell. Also selling are three females carrying his service.

EIGHT GREAT FEMALES THAT ALL SELL

Six will have calves at foot and two will carry long service dates. (Left to Right)—Marlboro Starlight 2nd, Marlboro Mayflower 2d, Marlboro Margo 5th, Marlboro Mayflower 6th, L F Starlight 33rd, Marlboro Margo 6th, Marlboro Meadowsweet 4th, Marlboro Clipper Hazel.

MARLBORO MAYFLOWER 2ND—You'll be impressed with her roan bull calf born Nov. 5, 1968 by Bilmar Preferred Diadem that sells separately. This is young Barbara Simons' foundation cow and she's been a grand producer. Only because there are too many cattle at Marlboro do we offer her. She's by Femco Newsboy 6th that was an exceptionally thick, good headed sire whose breeding career was cut short by an unfortunate accident. The dam of this cow comes from the reliable Tomson Brothers Mayflower tribe that has been our most prolific. There's also a cross of the historic OAC Mayflower's Ransom that bred so well at Scotsdale and the Ontario Agricultural College. This cow's first daughter topped our 1964 club calf sale at \$500 to Martin Lundvall, LaPorte City, Iowa, at six months. Other daughters are in the herd. BRED TO BILMAR PREFERRED DIADEM.

CLIPPER QUEEN 10TH—We've had great luck with the females purchased from the Thiedes of Meadowview Ranches, Burton, Neb., and this is probably the best of them all. Certainly she produces that way. She was seven in April and has given us five calves. The most recent is a heifer born Jan. 1, 1969, that will be retained but THE COW IS WELL ALONG IN CALF AGAIN TO ACADIA NAPOLEON 101st, the ton son of Deep Cove Napoleon 3rd. One daughter was champion 4-H heifer for Gary Williams, Dell Rapids, S. D. Another won her class in the 4-H show at the Iowa State Fair for Gary Connell, Muscatine, Iowa. One was a steer calf shown successfully for Gary Junck, Hinton, Iowa. Her Westdrums Wayfarer daughter was perhaps the biggest for her age until she was lost at weaning time. The late Otto Thiede recommended this imported Cruickshank Clipper family highly. We value this female as a rapid producer of top calves.

LINDERWOOD STARLIGHT 30TH—Officially classified AA by the American Shorthorn Ass'n.. Dewey Lunstra and many others have called her one of the best, most modern cows in the herd. You'll like her very feminine head, length and cleanness throughout. Six-years-old, she's carrying her fifth calf. THIS ONE WILL BE BY BILMAR PREFERRED DIADEM. Her first daughter was a successful show heifer for Gary Duncan, Flandreau, S. D. Two others sell and one is retained. If the calf she is carrying is a heifer, we'd like first chance to buy her back to carry on this prolific family.

Lot 37, Chain 7**Female****LINDERWOOD STARLIGHT 31st 3194-877**

Red, calved April 19, 1963. Bred by Nils I. Aspaas, Baltic, S. D.

Owned by A. Harris Simons, Brandon, S. D. RE 637.

LINDERWOOD STARLIGHT 31ST—Just six-years-old in April, she's nursing her fifth calf. A RED HEIFER BY ACADIA NAPOLEON 101st BORN APRIL 12. That's the kind of rapid performance that makes for profit in the cattle business. All of her calves have been bulls except this one and WE MAY WANT TO RETAIN IT to help continue this great old Allen Cattle Co. family. Classified AA by the American Shorthorn Association, she carries two crosses of the massive Hayard Monarch. Served again to Bilmar Preferred Diadem.

Roan, Held Bros.

SECRET VERNA 2ND—The best producing and highest classifying cow in the herd is Secret Sarah that is out of this cow's great granddam. This one was added to augment that great old imported Harviestoun family. Her sire, Rothney Masterstroke, was grand champion of the great Calgary bull sale, as was her maternal grandsire, the \$4100 Rothney Kinross. Secret Vera was one of the first daughters of the Perth senior champion Westdrums Viceroy and made an excellent show record for Russell Held throughout the Midwest and at the International. We should have done a better job with Verna's horns, but she's a massive cow of great thickness and muscling. She'll weigh well on anyone's scales and look good in their foundation herd. AT FOOT, IS A JUNE 2, 1969 HEIFER CALF BY BILMAR PREFERRED DIADEM. SHE'LL BE PASTURE EXPOSED TO HIM AGAIN AFTER AUGUST 1.

L F STARLIGHT 33rd—We're blessed with an abundance of Starlights in the herd and will share several this year, but they'll be missed as rapid and profitable brood cows. The family originated at the Allen Cattle Co. and produced several of their champions. This one is a direct daughter of the massive Deep Cove Ironclad Monarch 4th. He is bred similarly to the dam of the International grand champion Acadia Napoleon 200th. The Corrimony Butterfly family at Deep Cove was among their best. This one was six in July and is nursing her sixth calf! It is a RED HEIFER BORN APRIL 15 BY THE TON-WEIGHT ACADIA NAPOLEON 101st. They don't give championship ribbons for rapid and dependable performance like this, but someone should. She'll be served again to Bilmar Preferred Diadem.

SIX GREAT FEMALES THAT ALL SELL

Four will have calves at foot by, and two will carry the service of Bilmar Preferred Diadem. (Left to Right)—Linderwood Starlight 30th, Marlboro Margo 6th, Marlboro Mayflower 6th, Marlboro Mayflower 2nd, Proud Augusta 7th, Secret Verna 2nd.

MARLBORO MARGO 6TH—Breeders wanting size and quality will mark her a likely investment. She has all the quality and thickness of the great old Westdrums Wayfarer that himself weighed 1,980 pounds. Further, she's the last daughter of Marlboro Margo 3rd that was lost this year. She weighed 1,477 pounds when she went to market as an old cow. The granddam was the biggest cow we ever owned. Larry Hart, Hart Farms, Waxachie, Tex., bought her dam's three-fourths sister a year ago and is well pleased with her great size. This one has the extra size breeders are so urgently seeking . . . and there's quality to go with it. DUE BEFORE THE SALE TO BILMAR PREFERRED DIADEM.

MARLBORO AUGUSTA LADY 7TH—We're undoubtedly crazy to part with five daughters of Westdrums Wayfarer in the same sale. He's been gone for two years and they'll only be a few of his daughters left in the herd. The dam of this one was one of our best producers and sold in the 1968 sale to our good friend Gordon Bauman, Jasper, Minn., who is planning to use her bull calf as junior herd sire. This is also the very reliable Augusta Lady family that gave us Marlboro White Knight, that won his class at the 1966 American Royal. We believe in this family and part with this heifer only after considerable persuasion from the sale manager. SHE WILL CALVE BY SALE DAY TO BILMAR PREFERRED DIADEM.

MARLBORO STARLIGHT 3RD—They're too young to sell to advantage, but you'll be pleased with the first two daughters selling by Bilmar Preferred Diadem. This one is out of Linderwood Starlight 30th that will be one of the real sale attractions. She carries that important cross of Hayard Monarch that is responsible for much of the size in Cyrus Eaton's Acadia and Deep Cove herds. The International grand champion Acadia Napoleon 200th is out of a Hayard Monarch dam. Preferred Diadem himself is well-known and is doing an excellent job. Remember that his dam was the massive Princess Regia from A. J. Marshall's Princess Royal family. Calrossie Troubadour is famous for all time as the sire of PS Troubadour, the greatest International grand champion steer over all breeds of all time. **SELLS OPEN.**

GUEST CONSIGNOR

HARLAN KEITH HULST — HULL, IOWA

This young Shorthorn enthusiast started to establish a small select Shorthorn herd while still a high school student. He elected three lots from the Marlboro Farms offering in their 1968 sale. Two more females were added so the herd numbers five females with four calves at foot. Most are bred very similar to the rest of this offering.

Harlan is now being called to the service of his country in the U.S. Navy for the next several years so his small, select foundation herd must be sold. Therefore, the next five lots are being offered as a guest consignment in this sale.

Lot 53

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals cataloged have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
